To The Secretary to the Government of Mysore,
Law Department, Bangalore

Sir,

I have the honour to state that I inspected the Office of the Town Municipal Council, Tarikere on 5-6-1943; and note below for the information of Government, the important particulars observed by me -

1 The income under Octroi was Rs 7770-5-1 till the end of May 1943, as against Rs 7812-6-10 for the corresponding period of the previous year The decrease is stated to be due to the closure of the shandy for three weeks owing to the prevalance of Cholera, in Tarikere Taluk The income under 'Jaggery' and 'cocoanuts' has ~~failed~~ fallen during the year Seven cases of Octroi smuggling were detected during the year Of these, six case were compounded and in one other case, though the prosecution was launched in the Special II Class Magistrate's Court at Tarikere, it was withdrawn and compounded by recovering five times the value of the duty and court cost amounting to Rs 6-0-0

2 The demand, collection and balance under assessed taxes is as under -

Arrears on 1-7-42	Rs 4,469-1- 5
Demand for the year 1942-43	10,835-1-10
Total	15,304-3- 3
Total collections including remission of Rs 66-8-0	9,892-12-6
Balance on 1-6-43	5,411- 6-9

3 The arrears are heavy, though the collection work during the current year is better than in the previous years Salwar bakipatti was not available Hence it was not possible to find out whether any of the arrears were about to be time-barred Necessary instructions have been issued to the President, for the preparation of a Kulwar and Salwar baki patti and to show appreciable progress in the recovery of arrears

arrears

4 With a view to improve its financial resources, the Municipality is levying Octroi on timber and taxes on professions, trades, etc , with effect from the current year

5 All the contributions due to Departments of Government, have been adjusted except the pensionary contribution towards the staff of the Medical Department It was stated that the dues would be adjusted on receipt of the information from the Medical Department

6 The Ex-Officio President has inspected the town 25 times and he has maintained a diary in which the instructions issued by him are noted

7 The following instructions were issued as a result of the inspection -

a) The working of the Sub-Committees other than the Managing Committee is not satisfactory Most of the meetings have been adjourned for want of quorum Instructions have been issued to advise the members of the several Committees to meet more often and transact business The members ofthe Audit Committee have been advised to pay surprise visits to the Octroi Kattes etc

b) Instructions were issued to note the action taken against some of the resolutions of the Municipal Council

c) The decree register was not posted up-to-date In some of the cases, decrees have been obtained during January and February 1943 but execution applications have not been filed The President, was instructed to avoid such delays in filing execution applications He was also instructed to carefully watch the progress of proceedings in the court in respect of each case

d) The notes of inspection of the Assistant Comptroller and the Audit notes for the years 39-40 and 40-41 have been received on 12-3-42 and 3-5-43 respectively Instructions were issued to return both of them, with replies immediately

e) The property register has been re-written Information regarding the dimensions, value etc , has not been entered therein Necessary instructions have been issued to post this important register up-to-date

f) Some merchants have built stalls un-authorisedly in the Shandy maidan, and are paying very low rents Instructions were

were issued to enhance the rents by at least 4 to 6 times, reserving the right of the Municipality to evict the parties

General

The Municipality has an ambitious programme for improving the Town and has to find ways and means for the same The income from the Shandy can be improved The Municipality may consider the question of levy of toll The roads in the town require immediate attention The town is malarial and no steps have been taken towards antimalarial measures The arrears of Mohatarfa are very heavy and the President and the Chief Officer, should exert themselves more Lore improvement in the work of the Chief Officer and the President is ~~desirable~~ expected in view of the heavy arrears under mohatarfa & low finances of the municipality

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
